

MARINE M O N E Y

Marine Money Virtual Korea Ship Finance Forum

Wednesday, November 18th 2020

Our Marine Money Korea 2020 virtual conference will be on Wednesday 18th 2020. Taking our event online provides new and exciting opportunities for our sponsors, allowing companies to reach a larger, global audience, grow their contact database, have their brand name and content contribution permanently available for replays on our website and social media channels and target their message more effectively than ever before.

If you are interested in sponsoring and participating in our upcoming Marine Money Korea virtual event, or brand your business, please contact Andrew Oates at aoates@marinemoney.com.

Session 2

2 pm Busan – 1 pm Singapore – 7 am London

Korean and International Finance

Korean finance sources are still important for international owners building ships at Korean yards. International ship finance is still essential for Korean shipping companies seeking global reach. This session discusses finance options and trends from Korean institutions and traditional shipping banks.
